How to use this form

1. If you are trying to sign up for both 1 hour & 1.5 hour activities, make sure that you don't overlap times.
2. In the 'X' column, we recommend you rank the activities 1 to 3 just in case those programs have filled up at your scheduled sign up time.
3. If you choose Advanced Camper or Baden-Powell Programs, we recommend you still rank 1 & 1.5 hour activities just in case those programs have filled up at your scheduled sign up time.
4. Follow subtotal directions at the bottom of each column to ensure you have completed this form correctly.
 - If you ranked your activities by preference using 1 to 3, only add up your 1's.
