

SCOUT SCHEDULE PLANNER

This tool is designed to be shared with Scouts so that they can help plan their week at San Isabel Scout Ranch. Scouts simply select one 3-hour activity in the morning and afternoon, or two 1.5 hour activities in the morning and one 1.5 or 3 hour activity in the afternoon. Have Scouts rank their choices for the Mon/Tues & Thurs/Fri just in case their preferred choice on activity is not available at time of registration.

NOTE: Requesting an activity on this sheet does not guarantee a spot when registering online.
